NO FAIR, SAYS VICTOR BERGER

SOCIALISTS HAVEN'T FAILED IN MILWAUKEE, AS SOME SAY.

Bond Sale a Success, Berger Park Comtag, Only 62 Changes in 4,000 Offices. High Taxes Due to Last Year's Budget Course It's a Minority Party.

Victor Berger, the Socialist Congressstood as soon as he reached town yester- August. He is a member of the Senate. day that he was exercised about things that have been printed to the detriment of his party's municipal record in Mil- service, as all his public career had been waukee. In his room at the Manhattan spent in legislative and judiciary posts he disputed some statements which appeared in a paper of another city of the in my country can be appointed to

the civil service laws and that our men by Congress. have become a horde of office seekers. They said that we couldn't sell the city a municipal Judge we were repudiated by peaceful way.

skilled labor, but right now there aren't more than 4,000 or 5,000 in a city of 400,000, and that isn't much, is it? We let Eads How bring his hobo convention to Millwaukee, and there was a big hubbub about turning them loose on the city. But there weren't more than 200 of them, and what harm did that do, even though we let them meet in the city hall?

*Now this nonsense about office seekling. There are 4,000 places in the city government in Milwaukee. Do you know how many of them we have 'changed' Sixty-two! Is that many? If the Republicans had followed the Bemocrats had followed the Republicans, thege would have been fifty times as many changes. They say that we violated the civil service laws and they base it on an old, antiquated law that says an appointee must live in town two years. Perhaps we did violate the letter of this old timer, but why did we do it? To get experts from two York, our librarian from Faris, experts—all of them—for the Bureau of Municipal Research, for public works, for everything."

*Mr. Bergor has a way of pausing in his more was a surple of the company has receined a conclusion to exploit the period of the company has receined the received the country. Washington, our paving expert from New York, our librarian from Faris, experts—all of them—for the Bureau of Municipal Research, for public works, for everything."

*Mr. Bergor has a way of pausing in his more was a surple of the country was an appoint of the company has been around the room to explain the properties of the properties of the properties of the country was an appoint the most part of the properties of the properti

prevailed upon to say something.
"In my Dutch Milwaukee way," said he.
"I have been going after my committee work. I'm on the committee for the District of Columbia, and as I look at it that's just like being an Alderman, Much I found that was praiseworthy about the district. I like their pavements. But for four days and nights I went over that I was going to be an alderman over and they had to admit I found out things. Just about everybody in Washington is taking me seriously."

Fred Woodworth, 21 years old, of 68 Rutland road, Brooklyn, who has been prominent in amateur athletics, was shot and seriously wounded early yesterday morning by Frank E. Bader, 22 years old, in the saloon at 504 Flatbush avenue. Brooklyn, which Bader managed for his mother. The shooting was accidental, It happened while Mrs. Bader, her son, and two or three other friends were in the room in the rear of the saloon after it had been closed up. Woodworth, who recently returned from Oklahoma, where he had gone after his graduation from the Polytechnic Institute a year ago. and two or three other friends were in the room in the rear of the saloon after it had been closed up. Woodworth, who recently returned from Oklahoma, where he had gone after his graduation from the Polytechnic Institute a year ago, was showing a revolver which he had recently purchased. "It's a delicate little affair," Bader said. "You spring this button and all the cartridges fall on the table."

As he pressed the spring several cartridges fell on the table, but one remained in the weapon. "Now the revolver is unloaded," continued Bader, again pressing the trigger.

At the report Woodworth expans for the kasher was the Judges, drove lickety split back was the Judge, drove lickety split back the Judge was the Judge and put on East Eighty-fourth street and p

ing the trigger.

At the report Woodworth sprang from his chair exclaiming "I'm shot!" and placed his hands above his stomach, indicating where the bullet had taken affect.

which make it could not supply the demand.

Jacob Bock, president of the Independent Master Bakers Association, whose bakery at 159 East Houston street was small on the open shop plan before the

dent Master Bakers Association, whose bakery at 159 East Houston street was found that the bullet had lodged in the abdomen and the doctors last evening expressed some hope of being able to save the young man's life by an operation. Woodworth told the detectives who called at the hospital that the shooting was entirely accidental. Bader was arrested and taken before Magistrate Harris in the Flatbush court. He was released in \$2,000 bail furnished by his mother.

RAN HIS CAR UP A TREE.

The Car Was Smashed and the Chauffeur Had Three Ribs Broken and May Die.

FISHKILL LANDING, May 3.—Gustav Smidt, chauffeur for A. H. Watson, who was learning to drive, ran the car up a tree near Johnson's Hotel on North

OUR UNIQUE PHOTO SERVICE Up-to-date Developing and Printing

When you bring your developing, printing, and enlarging to us, they receive individual attention from photographic experts in our modernly equipped laboratory on the premises.

This means three advantages to you. One is Economy; another Quality; the third, Promptness. Other stores have to give the work out. You therefore pay two

profits, besides which there is no guarantee of the quality of the work. We reproduce paintings, etchings, photographs and legal documents, and of course guarantee secrecy where desired. 1 dozen photos, cabinet size, mounted in folders, copied from

your photo-\$1.45. Negative becomes your property. Additional prints, 8c EACH. We repair cameras very carefully and thoroughly. In this, as

in everything else, our charges are easily the lowest in the city. Before going away bring us your camera. We will clean it free An up-to-date line of Cameras from \$2.00 to \$132.50, and a com-

plete stock of fresh plates, films and chemicals always on hand. For the rest of this week-to advertise the quality of our work we will make an 8x10 photo enlargement, mounted on 11x14 card, for 15c.

SALE OF GARDENING IMPLEMENTS BASE Every man likes to do his own mowing and hosing-when he gets his things from Macy's. That we are lower priced in this, as in everything else, matters less than the fact that we handle only reliable makes.
